THE NAME'S SAKURA YOSHITAKE. I'M TWENTY-FIVE. THREE YEARS AGO, I STARTED WORKING AT A SMALL CATERING FIRM.

IT ALL BEGAN THE DAY I DROVE TO THE COUNTRYSIDE TO CELEBRATE MY GRAND-MOTHER'S EIGHTY-EIGHTH BIRTHDAY...

ON THE WAY BACK, I SAW A UFO AND HAD AN ACCIDENT. I BLACKED OUT WHEN I SAW AN ALIEN...

BUT WHEN I WOKE UP, RIGHT BEFORE MY VERY EYES...

WAS A SIGHT I'D NEVER SEEN BEFORE.

READING DIRECTIONS

This book reads from ***right to left***, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

A Sexy Sci-Fi Romp

Yoshitake, your average company drone, is out for a drive one night when he spots a UFO and crashes his car. When he next opens his eyes, he's in his apartment, and next to him is a stunningly beautiful alien girl named Lune! She has come to Earth to save her species from extinction by claiming human seed—and sex-crazed Yoshitake is the perfect mate. Unfortunately, Lune's alien physiology leads to an unexpected difficulty that even the world's horniest man may be unable to overcome.
